if a mud wing and a sand wing have an egg its called an offspring one of the characters is and offspring her name is sunny
there are different types of course sunny is a night-wing and sand-wing but she finds that out in another book
a VERY important character is a offspring hes in one of the new books and you have to find out more about the new dragons

Don't spoil! He's only read the first book!

Also, 'offspring' just means the child of someone.

The offspring of an intertribe couple is called a 'hybrid'.

Oh and as lots of people already said, there are a TON of RPs, like SETAL (Seven eggs... taken and lost), TQP (The Queenless Prophecy), and MRP (Mutants RP). Those are just the most popular ones, but there are so many more! And OCs (original characters)- I have a lot of them! Diamond (Ice), Frost (Ice), Malevolent (Night), Brooke (Sea), Whisper (Rain), Adder (Sand/Rain), Newt (Sea/Mud), Heatwave (Sand), Bright (Rain), Conifer (Leben-Drache/Sea/Rain), Angelfish (Sea), Tide (Sea), Winter (Ice), Firefly (Sky/Sand), Shatter (Ice), Splash (Sea), Champion (Sand), Medallion (Sand), Clouddancer (Ice/Sky), Fireflicker (Sky), Vanity (Rain), Shade (Ice), Lavender (Rain), Starsong (Night), Iridescence (Rain/Night), Starcatcher (Rain/Night), Thermal (Sky), Brilliance (Rain), and SO MANY MORE...

Hi! I'm Samwise, mostly just try not to make people mad. We're kind-of like a family on here so we have really intense arguments sometimes but we make up and we all love each other. A good thing to remember about the series is that many people are not what they seam so dragons have layers and each have their own motives and interests. DECEPTION WILL RUN RAMPANT!!!

Hey, Antonio! Welcome to the WoF community! Here are a few things you should probably know:

1. You probably shouldn't scroll through the forums until you are up to date in the WoF series. There are spoilers everywhere!
2. Ships are not to be taken lightly. And...
3. OC stands for other character, RP stands for roleplay, and MB stands for message board.

I hope these tips were helpful!

Hi!!!
I am pretty new but here are a few tips.
1. Spoilers are EVERYWHERE! Also most people forget to say spoiler warning, so beware of spoilers!
2. If you haven't figured out, ships are combining two characters' names to show that you think they should be a couple. Some people take their ships VERY seriously. Some popular ones are Aukliff, Winterwatcher, Cleril, etc, but there are hundreds out there.
3. If you haven't read all the books, READ THEM!!!! This isn't really a tip, but the books are awesome!

As I said, I am pretty new too, so these tips might or might not be helpful, but welcome to the website!

Hi! I am Wizard. I mostly do RPs but I do other things a lot too. Look out for my stuff! I suggest you try an RP sometime, because I don't think admins ever do but they should. Always remember that becoming too attached to slightly less important characters could leave you in a sad distressed state. I usually type in size 12 font because it is easy to read.

Hi Antonio! I'm Aria or dragonwolf. I'm so glad you have started reading WoF, as it is very inspiring, intriguing, and amazing! Be aware, because at you read, there are MANY surprising moments in the series. Do you have an idea of when Peril Escaping WITHOUT hardcover will be coming out? I desperately wanted to get it, but it's 22 bucks! My friends and I are big fanwings! I hope you enjoy being admin, even though people can sometimes be a bit random...
By the way, people keep on saying unmentioned characters are in the 7th book. Just be careful, for if you see TOO many spoilers, you won't even have to read the books!
